MEMO ENDORSED

The Honorable Charles L. Brieant  
United States District Judge  
300 Charrapas Street  
White Plains, NY 10601

Dear Judge Brieant:

Please accept this letter as an official  
request to remove my name as a  
plaintiff in case # ~~07~~ CV 9897 filed  
by Attorney Steven C. Jackson on November  
2007.

I do respect voters' rights and feel  
that their rights should not be compromised  
in any way. However, I do not wish to  
be a plaintiff in the former mayor's case,  
Especially in the manner in which it was  
filed.

Applicator Drafted. The name  
removed as a plaintiff in this action.  
So Ordered

Charles Brieant

To: The Honorable Charles L. Brieant March 26, 2008  
From: Barbara Perry

I did not know that my name had been used as a plaintiff until a friend called me and informed me that my name was part of a list named in the document as a plaintiff. I later saw my name in the Westchester Guardian.

I have spoken to Mr. Steven C. Jackson, requesting him to remove my name from the case as a plaintiff. I also wrote him a letter dated Nov. 15, 2007, requesting the same (removal of my name as a plaintiff). As of Thursday, March 20, 2008, my name <sup>was</sup> still a part of the list. I am also aware that several other people listed as plaintiffs have been asking Mr. Steven C. Jackson to remove their names: Valerie Campbell, Dorothy Edna Bringer, Elvira Castillo, Daryl Selsy and Lisa Copeland.

In closing, I pray that my name (Barbara Perry) is removed as soon as possible. Thank you  
Judge Brieant.

Yours truly,  
Barbara Perry

Dear sirs:

Please accept this letter as the official notification to drop my name as a plaintiff in the \$600 million lawsuit that was filed in the United States Federal Court in White Plains, New York on Thursday, November 8, 2007.

At the time we signed the petition as Davis supporters during the Nov. election Campaign, it was not explained that document and its signatures could be used as Plaintiffs in a lawsuit. Furthermore, I have not seen the document that was filed in court, nor do I have any knowledge of its contents. It does seem that anyone named as plaintiff would have been given a copy before the document was filed.

It was only after speaking to a friend, whose name has not been used, that I learned that my name had been used as a Plaintiff.

I supported Mayor Davis during the Primary and in the General Election. I actually put in 12 hrs most days in the office (headquarters) managing everything. In addition, I supported him financially.

However, at this time, I do not wish to be a Plaintiff, especially now due to the manner in which this Procedure was handled. I will however, support the Mayor in any other way possible.

My decision is due to the fact that I have explained and in addition to the Mayor's Public announcement that he did not know anything about the suit and he was not a Plaintiff in the matter.

Sincerely,  
Brenda Perry
